

APPOINTMENTS

Haines Norton

Haines Norton has appointed Mark Jeffreson as Manager - Business Services and Advisory in their Adelaide office. Mark has a particular focus in forensic accounting, obtaining a Graduate Certificate in Forensic Studies from Monash University and possesses over ten years experience in the accounting profession. Mark has a wealth of experience in accounting, taxation and business advice, and brings to the firm his experience in retail, manufacturing and general business solutions, making him an all-rounder with exceptional problem solving skills.

Adam Internet

Adam Internet has announced four new appointments to its growing city-based team.

Michael Owen has been appointed to Operations Executive. Michael brings to the position more than 28 years experience across the finance and government sectors, having most recently held a position as Information Technology Director at HomeStart Finance. Michael's responsibilities include overseeing all marketing and communications procedures and managing the day-to-day operations of the business.

Richard Siggs has been appointed to Network Operations Manager. Richard's role will see him provide leadership to the network operations staff to ensure delivery of Adam Internet's goal of seamless, efficient network operations that meet the current and future requirements of our business and residential customers.

Sharon Tedore has been appointed Call Centre Manager. Sharon will oversee the growing call centre operations based out of Adam Internet's King William Street building.

Anita Laing has been appointed to Executive Assistant. Anita will be responsible for providing day-to-day administrative support to the executive management team.

Vodafone

Vodafone Australia has appointed Kylie Markou to Marketing Executive with the South Australian office. Kylie brings to the position solid sales and marketing expertise, having previously held the position of Marketing Coordinator at Elders Limited where she was responsible for developing and executing campaigns on both a state and national level.

In her new role, Kylie will work closely with the state and national marketing and sales teams to deliver localised initiatives that further build on Vodafone's rapidly growing presence in South Australia.

Franchise Alliance

Franchise Alliance has appointed Vicki Prout to Director. Vicki, who has over 11 years experience in the franchise industry, was previously the SA State Manager since April 2007. As Director, Vicki will be responsible for consults to existing franchises and those looking to franchise their business. Prior to joining the company, Vicki was Director of Marketing for Cartridge World and also spent five years with Impress Promotions International as Business Development and Account Manager.
